

You're Invited to the Webinar **POST-COVID 19: WHAT'S NEXT FOR YOU AND YOUR PRACTICE?**

There is a good chance that COVID-19 has put a halt to your business plan, or perhaps altered it all together, and you are wondering what's the next best step for your Practice.

We invite you to join [MidCap Advisors, LLC](#), [Sax LLP](#) and [Pashman Stein Walder Hayden P.C.](#) for a webinar on **Wednesday, February 24 at 1:00 PM** geared towards physician practice owners who, in the aftermath of the COVID-19 pandemic, realize that they cannot stand still if they want to remain relevant and competitive.

Our knowledgeable presenters will offer practical descriptions and advice for the most likely options physicians ought to consider once the dust from the pandemic settles.

Topic points include:

- **Selling Your Practice**
 - Hospitals/health systems, single and multi-specialty groups
 - Private Equity & Valuations
 - Restructuring Responsibilities
- **Retirement Pathway**
 - Legal obligations for medical records, etc.
 - Effective retirement planning strategies
- **Becoming a Practice Acquirer**
 - Business, strategic and financial plans
 - MSO services – in-house, contracted or a combination
 - Legal structures & Accounting considerations
