(Also known as the
National Organization of
Mothers of Twins Clubs)
Morris County Chapter

Tune in to Twins!

Did you know the birth rate for twins has increased a whopping 76 percent since 1980? This is one of the reasons our group is growing so quickly and is actively supporting the families of twins and triplets.

We are the Twins & Triplets Mothers of Morris County, dedicated to supporting families of multiple birth children through education, research, and networking. (TNTMOMC) Our non-profit organization is offering an opportunity for you to outreach to our members and let them know of your support for the work we do and your interest in the health of our children.

TNTNONC invites you to participate as an Advertiser in our monthly e-newsletter.

- ❖ Business card ad
- ❖ Author a column on a subject of interest to our members

Our organization is dedicated to helping twin families in need, distribute scholarships, provide activities for twin families, offer parenting lectures and give to local charities. Past donations include the Paula Rosina Santoro Foundation (one of our member's lost her twin daughter to Cushing's Syndrome) and Hugs for Brady, which helps children battling cancer and seeks a cure for pediatric cancer.

Formed in 1975, we are the Morris County Chapter of the National Organization of Mothers of Twins Club, a 501(c)(3) not-for-profit organization, currently with 115 members. We endeavor to aid parents of multiples and to raise public awareness of the unique qualities of multiple birth families.

With sincere thanks and genuine gratitude in advance for your consideration and participation!

TNTMOMC is a non-profit 501(c) (3) organization. Thank you.
